The Congress Conference Centre is in a fantastic location in the heart of London's West End, just three minutes' walk from Tottenham Court Road Underground Station and a short walk from Oxford Street, Covent Garden and theatreland.

The conference venue benefits from excellent transport links by tube (direct to Euston, Charing Cross, Waterloo and Liverpool Street mainline stations), and has two public car parks in the immediate vicinity located in Great Russell Street and Museum Street, as well as metered on-street parking. Cycle racks are available for those preferring to arrive on two wheels, and a 'Boris Bikes' Docking Station is conveniently located in Great Russell Street.

Congress Centre is a non-residential conference venue, but if accommodation is required there is an excellent range of hotels in the immediate vicinity.
