## Getting value for money right in Wales

Wednesday 21 August 2019 | Cardiff

A practical workshop exploring learning from the regulation of VfM in the Welsh social housing sector.

Delivered by HQN's Housing Finance Network Lead Associate and specialist in value for money **Ian Parker**, this workshop will examine how all the learning can be applied to the Welsh social housing sector.

**09:30 Registration and refreshments**

**10:00 Session one**

- The requirements of the English VfM standard
- What VfM measures that need to be reported

**11:30 Refreshments and networking**

**11:45 Session two**

- What impact the VfM standard has had on the English social housing sector – what's worked and what hasn't
- How to embed VfM in your organisation and demonstrate that VfM is important and you are delivering it

**12:45 Close**
