

Parking

Chamber Space can offer discounted car parking at the Great Northern Warehouse.

Please ensure you park in CAR PARK A, which is located up the spiral ramp. Rates are £6 for fewer than 6 hours and £9 for 6 - 13 hours.

Simply bring your car park ticket to the Chamber reception, where they will give you another ticket which ensures you receive a discount. When you return to the car park, insert your original ticket first, followed by the discount ticket and the reduced price that you need to pay will appear.
